Octoraro Creek Tour
May 18, 2024

Sponsored by The Delaware Valley Region of the CCCA Gothic Aerie, 12 Wright St., Parkesburg will be starting point for the May 18th scenic Octoraro Creek River Tour. The tour will begin in Parkesburg at 10 AM and go to the Colonial hamlet of Steelville, the site of Revolutionary War era forges. There is an 1800's covered bridge on which members can take photos of their cars. The tour will conclude with a luncheon on the terrace (or in the garage in case of inclement weather), of Jeff Hery's Gothic home overlooking the PA rail station featured in the movie "Witness".

This is a great opportunity to shake the winter cobwebs from both our brains and the chassis of our cars.

RSVP and Payment must be received by May 1st!
